

CARLOS MENDEZ

Email: [EMAIL] | Phone: [PHONE]

SUMMARY

ML Engineer with 4 years experience in NLP and data science.

Strong Python skills, basic PyTorch, good communicator.

EXPERIENCE

TechStartup - ML Engineer (2021-2025) 4 years

- Built NLP sentiment analysis models using Scikit-learn
- Some exposure to Docker for containerisation
- Worked on basic recommendation systems

EDUCATION

Bachelor of Mathematics - University of Madrid (2021)

SKILLS

Python, Scikit-learn, PyTorch (basic), Docker, SQL, Pandas

PROJECTS

Sentiment classifier open source - 120 GitHub stars

Customer churn prediction model for e-commerce client
