SUMMARY

ML Research Engineer with 5 years experience.

PyTorch expert. Co-authored DeepSpeed paper. PhD MIT.

8 published papers. Strong distributed training background.

EXPERIENCE

AI Research Lab - ML Research Engineer (2020-2025) 5 years

- Co-authored DeepSpeed distributed training paper
- Implemented FSDP and model parallelism for LLM training
- Deployed fine-tuned models on GCP Vertex AI

EDUCATION

PhD Computer Science - MIT (2020)

SKILLS

Python, PyTorch, DeepSpeed, FSDP, GCP Vertex AI,
Distributed training, CUDA, LLM fine-tuning, Hugging Face

PUBLICATIONS

8 papers published at NeurIPS, ICML, ICLR

Co-author of DeepSpeed paper - 500+ citations
