Address

Ghaziabad, India, Vaishali,
201010

Projects

Developed multiple AI-based projects, including AI chatbots and full-stack web applications.

- **NeuroNova** – AI-driven mental health web application focused on intelligent assistance and user-centric design.
- **PawCare AI** – AI-based chatbot for pet health support and information assistance.
- **FusionJump** – Interactive web-based puzzle game challenging users to determine minimum values; built using **HTML, CSS, React.js, Node.js, and C++**.
- **Melody Hunt** – Music-based web application that helps users discover trending hooks and perform advanced searches; built using **Python, HTML, CSS, and MySQL**.

Certificates

- Certified in Neural Network and Deep Learning – (Coursera)
- Certified in Data Structures – University of California San Diego Coursera)
- Certified in Object-Oriented Data Structures in C++ – (Coursera)
- Certified in Databases and SQL for Data Science with Python – (Coursera)
- Certified in Statistics for Data Science with Python – (IBM Coursera)

Education

Amity International School Noida

2009 – 2023

- **Higher Secondary Certificate (HSC) – PCM**

Bennett University, Greater Noida

2023 – 2027

- **B.tech in Computer Science**
- **Specialization – Artificial Intelligence and Machine Learning (AI/ML).**

About Me

I am a B.Tech student specializing in Artificial Intelligence, with hands-on experience in AI/ML, computer vision, and intelligent application development. I have worked on projects involving AI chatbots, data analysis, and full-stack web applications, and I also use Figma for UI/UX design and prototyping. I am passionate about building practical AI-powered products that combine strong technology with clean, user-focused design

Skills

Technical Skills –

- Python Programming
- Java
- C++
- Artificial Intelligence & Machine Learning (AI/ML)
- Deep Learning (ANN, CNN, RNN)
- Natural Language Processing (NLP)
- Computer Vision

Data Preprocessing & Analysis –

- Full-Stack Web Development
- SQL & Database Fundamentals

Design & Tools –

- UI/UX Design (Figma)
- Microsoft Office 365

Professional Skills –

- English Proficiency (written & spoken)
- Problem-solving & Analytical Thinking
- Time Management & Ability to Work Under Pressure

Reward

**Smart India Hackathon 2024 –
Selected for National Entry**

**Participated in EY Techathon
5.0**
